EXPERIENCE

- **CodeAlpha** *Aug.2024 - Sept.2024*
  Frontend Development Intern Ghaziabad, India
  - CodeAlpha is a tech company that builds custom software and helps businesses go digital. They create websites, mobile apps, and offer IT consulting to improve how companies work. Their clients include startups and small to large businesses.
    CodeAlpha is known for being innovative and focused on meeting each client's unique needs. They also emphasize teamwork and staying up-to-date with the latest technology. The company offers various career opportunities, such as software development and design, with room for growth and learning.
  - Developed 3 Projects from their project list provided from their side.
  - Projects Like - Image Gallery , Personal Portfolio , Music Player. Certificate

PROJECTS

- **Portfolio Website** *May 2023 - June 2023*
  Ghaziabad
  - Designed and developed a comprehensive portfolio website that highlights my skills and completed projects. The site includes detailed sections on my work, an interactive contact form for inquiries, and complete information about my background and expertise.

- **Image Gallery** *july 2023 - Aug 2023*
  Ghaziabad
  - Developed an interactive image gallery website featuring categorized images with a click-to-enlarge functionality, allowing users to view images in a larger format on a full-screen modal for an enhanced viewing experience.

- **Spotify Clone** *April 2024 - May 2024*
  Ghaziabad
  - Developed a Spotify clone website featuring a user-friendly interface with integrated music playback and playlist management. Designed the overall layout and incorporated a diverse selection of songs to replicate key functionalities of the Spotify platform.
